**Troop
1933**

Troop 1933 is open to all boys between the ages of 10-17 (as long as you have completed 5th grade). While many boys cross-over to Troop 1933 at the end of Cub Scouts, all are welcome at any time of year, regardless of previous scouting experience.

Why Scouting?

For more than 100 years, Scouting programs have instilled in youth the values found in the Scout Oath and Scout Law. Today, these values are just as relevant in helping youth grow to their full potential as they were in 1910. Scouting helps youth develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives.

The Boy Scouts of America provides youth with programs and activities that allow them to

- › Try new things.
- › Provide service to others.
- › Build self-confidence.
- › Reinforce ethical standards.

While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages youth to achieve a deeper appreciation for service to others in their community.

Lifelong Learning
Serving Others
Healthy Living
Building Character*

Scouting provides youth with a sense that they are important as individuals. It is communicated to them that those in the Scouting family care about what happens to them, regardless of whether a game is won or lost.

Finally, and perhaps most importantly, Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.
